

Increasing awareness and engagement with the Pittsburgh region's rivers and riverfronts through activities, stewardship and expansion of water and land trails.

2010

Year in Review

Volunteer Stewardship

Accomplishments

- Engaged 1,023 volunteers for a total 3,069 hours of service along the Three Rivers Heritage Trail
- Continued to sustain the Trail Stewardship Program, monitoring the Three Rivers Heritage Trail and the Interpretive Signage System

Looking Ahead

- Proactively engage volunteers of all ages and abilities to offer their time and talents in the maintenance of the Three Rivers Heritage Trail
- Pursue additional corporate partners to help off-set the cost of program materials

Promotion of Water and Land Trails

Accomplishments

- Successfully hosted 1,000 top athletes in the Pittsburgh Triathlon & Adventure Race
- Reinstated the annual Trail Mix(er), a summer celebration of our land and water trails
- Distributed 50,000 Three Rivers Heritage Trail Map & Activity Guides as a free resource

Looking Ahead

- Launch a new electronic version of the Three Rivers Heritage Trail map universal to all hand-held mobile devices
- Continue to produce the Pittsburgh Triathlon & Adventure Race to a sell-out crowd of top national and international athletes
- Proactively engage, inform and involve our diverse membership base

Three Rivers Heritage Trail Development

Accomplishments

- Successfully petitioned for the designation of the Three Rivers Heritage Trail as a National Recreation Trail
- Completed critical Route 28 segment of the Three Rivers Heritage Trail along the Allegheny Riverfront
- Continued to play an active role in the Allegheny Trail Alliance and Erie to Pittsburgh Trail Alliance

Looking Ahead

- Work closely with our partners, Allegheny County and Pennsylvania Environmental Council, to complete the Community Trails Initiative Study of 17 municipalities along the Erie to Pittsburgh Trail alignment
- Launch RFP process to select a firm to plan the Ohio Riverfront for a trail corridor, connecting the Montour Trail with the Three Rivers Heritage Trail
- Engineer and aggressively fundraise for the Keystone Segment of the Three Rivers Heritage Trail, a portion of the Great Allegheny Passage

Three Rivers Water Trail Development

Accomplishments

- Successfully petitioned for the designation of the Three Rivers Water Trail as a National Recreation Trail
- Completed construction of new river access points in the municipalities of Pittsburgh, Sewickley, Sharpsburg and O'Hara

Looking Ahead

- Design and construct several new access points, including the Mon Wharf and mouth of Duck Hollow
- Design, print and distribute a new Guide to Paddling the Three Rivers Water Trail
- Continue to engage public input as a way of fostering the development of additional access points throughout the riverfronts of Allegheny County
