Whether you bike, hike, rollerblade, or paddle along our beautiful shores, we encourage everyone to take advantage of these assets.

THREE RIVERS WATER TRAIL

Improvements to the Duck Hollow Three Rivers Water Trail Landing are underway. Friends of the Riverfront has secured funding to complete the engineering and construction of an ADA compliant access at the mouth of Nine Mile Run at Duck Hollow. The new water trail landing will offer canoe/kayakers easy access to the Monongahela River, improved parking and a rack for stowing craft. Increase awareness and engagement with the Pittsburgh region's rivers and riverfronts through activities, stewardship and expansion of water and land trails.

Sincerely,

Friends of the Riverfront
